**What is Summer Stretch?**

Summer Stretch is a service and recreational program, centered on Gospel values, which Christ Church will hold on five Wednesdays (all day) in June and July. It is estimated that during this coming summer, those teens participating in the 100 or so churches who do Summer Stretch will, as a group, give 22,500 hours of service to our metropolitan community. Come be a part of the fun and create for yourself a memorable summer.

**Service Sites include:**

- Feed My Starving Children
- Gardens and Food Shelves
- Highway and Yard Clean up
- Thrift Store Organizing

**Recreational Sites include:**

- Bowling
- Waterparks/Beaches
- Grand Slam
- Movies

**Participant Age Range:** This program is designed for those who will be 10 by Sept. 1 all the way up through graduating high school seniors. All friends of our youth are also welcome to register and participate. So, talk it up among your friends and neighbors. Sr. High Youth are invited to serve in a very special role as teen leaders for this program. Let us know if you want to be a teen leader. Sr. High students are not required to serve as teen leaders.

**Cost:** covers recreational entrance fees, chaperone fees, a Summer Stretch t-shirt and Valleyfair ticket. **Registrations by May 21st are \$100. Registrations past May 21st will be \$110. Financial assistance** is available upon request by parent, at a maximum of half of the fee, limited to those registered by May 21st. **AGAIN THIS YEAR: The t-shirts are the same as the last two years'. If your child can wear the same shirt this year, or an older sibling's, SUBTRACT \$5.00 from the fee!!**

**Registration is deadline May 21st!!** Additional registration forms will be available either directly from the Church, or the website [www.christchurch-woodbury.org](http://www.christchurch-woodbury.org) You will find the forms under Education and Youth Group and Summer Stretch.

**Schedule of Summer Stretch Dates:**

There is a **Mandatory** Parent/Participant meeting being offered twice, with the idea that you will find one that you can attend for the entire hour. This year, we will need to return registrations for any young person whose parent does not attend one of the **Mandatory** meetings. **Youth participants should also attend with their parent(s).**

Parents will also be required to drive/chaperone one day out of the schedule, for each of their children registered in the program. This will ensure that we have enough space in cars and adult supervision at the service sites
